**Online Education**

1. Does all programs/courses were completed on time.	No		
2. Measures taken to complete the syllabus of courses and programs.	<p>Since the Covid-19 pandemic has disrupted the normal life style, our institution shifted our base to virtual platforms to conduct classes online. By using existing online platforms, apps and by providing training to teachers to use these apps and platforms to the optimum level, our institution has made online education as an alternative to ordinary face to face classes. Up skilling and motivating teachers and organizing counselling sessions for teachers, parents and students are some of the primary measures taken by our management. As the nation wide lockdown enforced on March 24 our faculty members started giving lectures on Google Meet and Zoom as per the syllabus. The study materials and audio files are shared to students over the internet. Some of our teachers typed the explanatory content in MS power point and after converting these slides to pdf, it was uploaded in Google Classroom. The initiatives like PG-Pathshala and Swayam are utilized for course materials and classes. Despite having a variety of digital modes ,almost all the teachers and students used Whatsapp, Telegram and email for educational interactions, submission of assignments, clarification of doubts and conducting class tests. Teachers used to get regular feedbacks from students through telephonic conversation about the positives and negatives of online teaching and continued to work until the desired number of students satisfaction. Students and teachers are informed regularly regarding examinations and other academic events by the authorities through online messenger group. Practical classes were carried out in virtual labs. For the conduct of online exams several meetings were conducted for teachers and students. Separate emails was created for online examination so that the drive was ready for easy access. Question papers were set in standardized format with time duration of 3 hours. Timetable was prepared accordingly, On the day of exam class in charges shares the question paper link to their respective class groups. Through Google Forms attendance of the students was collected. After three hours of exam students are asked to submit their answers in pdf format only once. the phone numbers of Class in charge and HOD were shared with the parents to contact incase of any difficulties, clarification and suggestions during examinations. After the completion of exams, papers were valued and results were sent to the parents through SMS. Through our efficient teachers our institution extended a warm note of patience, empathy, wellbeing and care for our students in this pandemic period.</p>
